

DO YOU HAVE A PENDING TRAFFIC TICKET OR CITATION?

LET'S TAKE CARE OF IT, TOGETHER.

The Marion County Prosecutor's Office has launched new initiatives aimed to eliminate barriers to residents of Marion County who have been charged with **traffic infractions** or **misdemeanors traffic offenses** by working together to resolve the issue and promote safe driving on our roadways.

PROJECT VALID

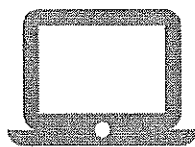

Allows individuals who have been issued a summons for the misdemeanor offenses of **Driving While Suspended** or **Operating a Motor Vehicle Without Ever Receiving a License** an opportunity to seek a valid license. If the requirements to obtain a valid license are completed successfully, criminal prosecution is withheld.

SAFE DRIVER DEFERRAL PROGRAM

Expanded eligibility for individuals charged with a **traffic infraction** an opportunity to keep the infraction from appearing on their driving record by paying a one-time fee and agreeing to not commit any further traffic violations for six months.
